## HONORARY DEGREE RECIPIENT

### OPAL LEE

Doctor of Humane Letters

The University of North Texas is delighted to honor Opal Lee ('63 M.Ed.) for her dedication and sacrifices as a civil rights advocate by bestowing upon her a doctorate of humane letters, honoris causa.

Ms. Lee is considered the Grandmother of Juneteenth because of her tireless activism to designate Juneteenth – the day when enforcement of the Emancipation Proclamation freed enslaved people in Texas, 2.5 years after the signing of the Emancipation Proclamation – a federal holiday.

Ms. Lee worked as a teacher and educator for much of her life. She first taught at Amanda McCoy Elementary School in Fort Worth, working a second job at Convair (now Lockheed Martin) to support her family. She then earned her master's degree in guidance and elementary education at North Texas and served as a counselor for Fort Worth ISD. She retired in 1977.

For decades, Ms. Lee has been a strong civil rights advocate. She co-founded Citizens Concerned with Human Dignity and the Tarrant County Black Historical and Genealogical Society. She also has been a volunteer for other organizations, including Habitat for Humanity and Zeta Phi Beta.

In 2016, she began a symbolic walking campaign of 2.5 miles – representing the number of years the enslaved people in Texas waited to learn of their freedom – each day in cities across the U.S. for a total of four months and 1,400 miles before reaching Washington, D.C. In 2019, Ms. Lee launched an online petition to the U.S. Congress to make Juneteenth a federal holiday that garnered 1.6 million signatures. She continued the walks annually, and in 2021, U.S. President Joe Biden signed the bill into law, with Ms. Lee standing right by his side at the White House.

Honorary degrees are the highest distinction presented by the university and are approved by the UNT System Board of Regents, as appointed by the Governor of Texas. Ms. Lee joins the ranks of only 46 other esteemed recipients in UNT's 133-year history.

## University of North Texas

For more than 130 years, the University of North Texas has served as a guiding star committed to ensuring students are supported to become Texas' leaders of tomorrow. Our students and alumni embody creativity, curiosity and something else that distinguishes them and makes them successful — resiliency. These qualities are in UNT's DNA, borne of an independent spirit that sets us apart. From admitting women on our opening day to pioneering water quality research for the region, establishing the nation's first jazz studies program and becoming one of the first universities in Texas to desegregate, UNT always takes the road less traveled on our path to excellence.

From humble origins in a rented space above a hardware store in downtown Denton, UNT has grown into one of the nation's largest and most diverse public universities and the largest in the North Texas region. We're a thriving Tier One public research university with more than 44,000 students and a path to any career. Designated a Minority-Serving and Hispanic-Serving Institution, we're dedicated to inclusion and reflecting the population of Texas. And as a catalyst for creativity, we launch new ideas, perspectives and innovations.

As we've grown, so has our reach and impact. Our programs are nationally and internationally recognized. Our research and scholarship spans the arts, science, engineering and everything in between. Our world-class faculty are making breakthroughs every day. And our students and alumni from all walks of life push boundaries and tap into their imaginations to transform the world around them.

## University of North Texas Traditions

**University Seal:** At the top of the UNT seal is the lamp of learning, burning with an eternal flame representing academic achievement and excellence. The laurel wreath represents honor, and the beveled Lone Star in the center symbolizes the great state of Texas.

**University Day:** First celebrated in 1961, when our name changed from North Texas State College to North Texas State University, this spring event includes a flag parade, music, food and celebrations of our history and traditions.

**Lighting of McConnell Tower:** Green lights, first installed by the Talons in the 1970s, shine on McConnell Tower after athletic victories and for special occasions.

**Scrappy, the Eagle Mascot:** The student body chose the Eagle as our mascot in 1922 for its keen eye, strength, independence and loyalty. In 1950, students named the first live bird mascot "Scrappy," which later became the name of the human mascot. The Eagle was known by other names through the years, including "Eppy" in the 1980s. But in 1995, our modern-day Scrappy returned to the nest as the Mean Green's biggest fan.

**Eagle Claw:** The Eagle hand sign is our universal sign of pride and unity. To display your pride: 1. Hold up your fist. 2. Make a "V" for Victory using your pointer and middle fingers. 3. Extend your thumb and curl your fingers and thumb slightly toward your palm.

## Glory to the Green and White

**Music by:** Julia Smith      **Lyrics by:** Charles Langford

Singing glory to the green, Singing glory to the white,  
For we know our university is striving for the right;  
Down the corridor of years, we'll forget the joys and tears,  
But North Texas, North Texas, we love.

*Pomp and Circumstance* was recorded by the UNT Wind Orchestra, conducted by Dr. Andrew Trachsel.
